

Extended Abstract for the Workshop “Patterns 2006”

First Author¹ and Second Author²

¹*The address of the first author*

E-mail: name@ijs.si

²*The address of the second author*

Day1-3/Talk/Poster

This is an example Abstract. Please add your text here.
You can include figure(s) and few relevant references.

Figure 1: with a caption in one line .

Required length of the extended Abstract is **ONE** printed page including Figure(s) and Reference(s).

The .pdf file and source files (.tex and .eps or .ps files of figures) are requested. In order to avoid possible confusion, the files should be named after FirstAuthor’s last name using the following rule: LastnameFA-fig1.eps, LastnameFA-text.tex, etc.

- [1] A. Author, Phys. Rev. Lett **71**, 0511040 (2005).
- [2] B. Chad and D. T. Kai, Physica A **114**, 112–121 (1998).
- [3] S.N. Dorogovtsev, *Evolution of Networks* (Oxford, 2003).
